Notice! Notice! Notice! Notice!

HAVING seen by the *Standard* and SENTINEL of 5th, that the Yarborough House is advertised as the only first class Hotel, we wish to call the attention of the travelling public to two or three facts:

It is well known that the National Hotel is new and was furnished by J. M. Blair, (who gave us this notice extraordinary of the Yarborough House,) regardless of expense, only this past Fall, but it was done when he expected to be the Proprietor, and retain this, as he expressed it, for his first class boarders, and send his second class to the Yarborough. The trouble was he had to go there himself.

To do justice to the owners of this property, my customers and myself, I will say that let the public simply give the house a trial, and they will say no better, cleaner, better kept house can be found in the South or North.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!!

No more Exploded Cans!—No more Exploded Lamps!
No more Smoke!—No more Grease!
No more Fires!!
EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivaled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and unimpressed to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 12th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the opinion of the undersigned, satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

Tobacco and Cigars.

HAVING PURCHASED THE STOCK AND fixtures of W. A. Monegan, Tobacconist, I propose to continue it in its various departments at the old stand, and would be pleased to see the former patrons of Mr. Monegan together with my friends and acquaintances and I promise to furnish them with the best smoke or chew that can be procured in the City.

I am agent for Mchegan's celebrated brand of the Banker's Segar, which beat the world for cheapness and fine flavor and can be procured no where else in the state, than from myself. Mine is the only establishment in North Carolina that you can procure the celebrated brands of Gravely chewing tobacco. Being confined exclusively to the segar and tobacco business, enables me to offer more segars or goods and of lower prices than can be had elsewhere in Raleigh. small dealers will find it for their interest to call and examine my stock as I can beat the State in price and in a line of goods suitable to the wants of their customers.

PERJURY.

Judge Watts, (Uncteous Sam.) or Tim Lee, Sheriff of Wake, (late of Boston,) one or the other, has sworn crooked, as will appear by their sworn testimony before the investigating Committee, recorded in the report to the Senate. If "my son-in law, Louis," had time, we would get his opinion as to who is the guilty party. We are inclined, however, to think that the Judge swore crooked, and not the Sheriff.

Now, as to the facts of the record:

Judge Watts swears before the Bragg Committee that, in the summer of 1868, he loaned Dewease $400; only a small part of which has been repaid, he further swears that in November, 1868, Dewease promised to lend him $2,000, and that he received five bonds at the hands of Tim Lee, at his office in the Court House; that these bonds he was told, was from Dewease. Let it be remembered that this was soon after he had dissolved the injunction he himself, had granted to Kehoe against the issue of bonds to the Atlantic, Tennessee and Ohio Rail road, and that Lee told him the bonds were handed to him for Watts, by the Attorney, in the cause, so we draw our own inference as to his knowing what bonds they were.

Tim Lee swears that he received a note from Judge Watts, saying that Dewease was in his debt $2,000, and directing him to get the bonds and sell them for him, and that he did so, receiving the bonds the day after he received the Judge's note.

This testimony, we say is conflicting, and when one man swears one thing and another swears the contrary, they have not both sworn to the truth. When two Radicals swear differently, we take the ground that the highest dignitary does 'the hardest swearing.

The *Old North State*, in alluding to this matter says, "Upon the whole, the transaction has the appearance of being a very discreditable one to all parties concerned is it, to use no harsher term. And one of the most suspicious looking facts connected with the case is the receipt, by Judge Watts, of $5,000 of these *same identical* bonds, as appears from the testimony of Mr. Lee. The statement that Dewease owed him $2,000 and "had left word with Col. Haywood to turn over to him five of the bonds," seems to be a transaction intended to cover up a bribe, and to afford but a very thin covering at that." The *Old North State* further says, if no explanation can be given to show that there was no collusion, "then we submit that Judge Watts should be impeached and tried by the Senate, and, if found guilty, be displaced from the office which he disgraces."

The Legislature will adjourn soon, and without impeaching Uncteous Sam for his connection with this bond business. But this is nothing more than what might be expected of men who sit check-by-jowl with Laflin and Sinclair, and help Moore and French engineer Littlefield safely through the Committee of the Whole.

We did for awhile entertain better hopes of Cuffy Mayo, after he was cleared of stealing the pistol, and we think now that Cuffy owes it to his own character, to move for Watts's impeachment and Laflin's expulsion.

What will the Bar of North Carolina think of a Judge who stands exposed as Judge Watts does? Will they pass resolutions complimentary to him on his ability in granting and dissolving injunctions, and his financial ability in pocketing bonds involved in the suit adjudicated?

We tell the Bar of North Carolina, they owe it to themselves to condemn this Judicial deformity that has been placed on the Bench by the influence of Holden.—Speak out, gentlemen of the Bar, unless you would be regarded by the people as no better than the Judge.

SENATOR DAVIS.

This blackguard, and friend of the Governor, abused us recently on the floor of the Senate. We have never yet abused him, and we shall not do so now. Two Senators have letters from Davis' old home, stating that he is a man of bad character; but stating this fact is not abusing him.

A letter from Troy, says, "Yankee Davis, the Governor's Railroad Treasurer, is here. He announced to a crowd in the Hotel, that he was prepared to entertain his friends, at his room; that he had two gallons of whisky, two women, one box of tobacco and sixteen boxes of oysters."

What a Governor we have, to keep such a Railroad Treasurer as this!

We very well understand Davis' hatred to us. In the first place, his friendship and intimacy with the Governor demands it; in the next place, when he was cracked on the head with a chair by a Confederate widow for insulting her, we sent the widow a horsewhip and cowhide, to use on him next time, and also a dress, a set of cups and saucers and knives and forks, as a testimonial of our respect for her good sense and brave action in thrashing him. The bearer of these presents was forced to cain and kick Davis afterwards, so he, Davis, looks upon us as the fibbed of all h[illegible]. We say he is a suitable tool to [illegible] Governor; if the Governor didn't [illegible] he would dismiss him.

SENTINEL OFFICE, March 24, 1870.

Dr. Yates:

SIR—Though you publish only a Weekly and I a Daily paper, I have allowed you to strike three blows to my one. In fact, I have had no disposition to keep up the fight, for I did not think it could amuse, entertain, or instruct the public. It would be neither decent or true if I were to deny that certain insinuations in your editorials gave me concern. You have followed in the wake of certain Radicals who allege, that Geo. W. Swepson owns, or holds a mortgage on the SENTINEL establishment.

I have heretofore contradicted this fully and positively, and now take occasion to do so again. Not to convince you, Doctor, for I care not what opinion you may entertain upon the subject.

My acquaintance began with Swepson thirty years ago. There has existed between his family and mine the kindliest relations. His family and mine are connected by marriage. This family connection and acquaintance has been of a most agreeable nature and of long standing. I have not been willing to disturb it by personal attacks upon Swepson's improper conduct. I appeal to the public and to the columns of the SENTINEL, to attest that I have kept the people informed as to Swepson's projects and plans both in North Carolina and Florida. I have given the people all the information I had or have, with regard to the manner in which they have been plundered and robbed. I can truly say with the Grand Jury I "have left none unpresented for fear, favour reward or the hope of reward."

I have had no presents, gifts, fees, or rewards from Swepson, directly or indirectly. He never sent an article to the SENTINEL for publication, he never asked or suggested to me to make an editorial on any subject whatever.

The SENTINEL opposed all his Railroad and ring projects and denounced them as they passed. I denounced, especially, his purchase of the North Carolina Railroad bonds at 65, worth par at the time. As long as you have a Treasurer who will make such sales and a Governor who will approve them, you will find plenty of Swepsons to purchase. If there were no Swepsons, the such sale, approved and endorsed by the Governor, would make them by the hundred.

As to Swepson's owning or having a mortgage on the SENTINEL, there is not one word of truth in it, as the following note from Rev. Wm. E. Pell will show:

RALEIGH, March 24, 1870.

HON JOS. TURNER, JR.:

Dear Sir—I very cheerfully comply with your request to state facts connected with the sale of the SENTINEL establishment by me, December 1st, 1868.

The SENTINEL was purchased by your father, Josiah Turner, Sr., of Orange. I received the entire amount of the purchase money for the office in the Spring of 1869, and made the conveyance according to the wishes of your father. Since you assumed the control of the editorial department of the paper I have had no control of or connection with it, in any manner whatever, and certainly never entertained the idea for a moment of having any future interest or connection with it. I have most heartily wished you success in the enterprise, as was natural for one to feel, who had started the SENTINEL. Long may it live and prosper.

Very Respectfully,
WM. E. PELL.

It was not necessary for the purchaser to give a mortgage on the property; I have never set up any claim or title as owner of it. The purchase was made by one fully able to pay and without giving a mortgage. I have a balm, Doctor, for all the wounds which malice and calumny can inflict, and that is a good conscience; my character has never been in the keeping of any man or set of men. And now, Doctor, let me say, in conclusion, that I have lived and am determined so to live still, that when Holden, his friends, followers, or admirers, speak ill of me, the people will not believe them any more than they would believe me if I were to speak well of him or his administration.

Be assured, Doctor, I shall not cease to think of you as I ought and as you deserve.

Yours in "moderation,"
JOSIAH TURNER, JR.

The Legislature of North Carolina.

HOUSE OF REPRESENTATIVES.

NIGHT SESSION.

THURSDAY, March 24, 1870.

House met pursuant to adjournment.

The following bills on the private calendar were taken up and passed:

Bill amending act to extend the limits of Wilmington—bill to charter the city of Greensboro'—bill to charter Shinglemen's bank of Plymouth—bill to allow tax collector of Fayetteville to collect arrears of taxes—bill in favor of L. Whitaker of Cherokee—bill in favor of administrators and executors—bill to amend chapter 120, laws of 1868-'69, and the bill to increase the fees of Standard keepers, and then the House adjourned.

SENATE.

FRIDAY, March 25, 1870.

The Senate was called to order at ten o'clock.

QUESTION OF PRIVILEGE.

Mr. Graham arose and said:

MR. PRESIDENT:—Some time ago I stated that I believed the remark in the report of the Governor and Superintendent of Public Works, in relation R. H. Cowan, former President of the Wilmington, Charlotte and Rutherford Railroad, (it appears that one million of dollars in bonds were disposed of at a fraction over 43 cents in the dollar, while others were realizing between 50 and 60 cents for State bonds,) was not correct and was intended and calculated to do injustice. By reference to page 64 of the report of "Bragg Committee" it will be seen that the bonds sold at an average price of very nearly 50 cents on the dollar. Leaving out a sale of 200 made by Soutter & Co. agents, to meet a payment which it was absolutely necessary to make, just about the time when the Supreme Court had made up its first opinion in the University Rail Road case, they will average much more than that. The sales are with the exceptions above noticed from 50 up to 55½. The quotations for N. C. Bonds which the Governor and superintendent would refer to, are for bonds bearing interest from the first of July and October 1868. The bonds for W. C. & R. R. Co. were dated July 1st 1869. There was therefore 4½ per ct. deducted from the face of the bonds issued to W. C. & R. R. and from all bonds of that date. Deduct this 4½ per cent from the amount realized and you have an average of *more* than 43 cents and not 43, as Gov. Holden reports. Apply this rule to all the bonds which are returned in Gov. Holden's report and it will be seen that those sold for W. C. R. R. average quite as much if not more than other bonds of the same date. It is not fair to compare them with those issued in 1868 for two reasons. 1st, That there was no short interest to be deducted from those of 1868. 2d. The credit of North Carolina was rapidly depreciating; and those who received their bonds earliest of course sold them for much the best prices. The statement made by Governor Holden that others were selling at between 50 and 60 is true in one sense; but it is equally true to say that they were selling at between 50 cents and $1. It is not true in the sense in which he intends it. No person realized 50 cents on bonds of that date clear of charges.

Mr. Welker from the Committee on Education reported favorably on the bill authorizing the Board of Education to perfect a sale of the lands held by the said Board in the Counties of Hyde, Tyrrell, and Washington, for the sum of $50,000, or more, the said sale to be on five years time, the interest to be paid annually and to be secured by the Board under such regulations as the Board may deem best.

On motion of Mr. Cook the bill was made the special order for to night at 8 o'clock.

FROM THE HOUSE.

Resolution in favor of Nichols and Gorman, claim for printing done for the General Assembly, said claim to be examined and approved by the Joint Committee on printing.

Mr. Welker moved to suspend the rules in order to put the resolution on its several readings, which prevailed.

Mr. Cook offered the following amendment, *Provided*, That the same price shall be allowed as was recommended by the Senate Committee on Printing, to the bill in relation to Public Printing.

Mr. Cook called the previous question which was sustained, and his amendment was voted down. Ayes none. Nays 29.

The resolution passed its third reading unanimously.

Resolution in favor of W. H. & R. S. Tucker & Co., passed.

Mr. Lindsay from the Committee on Claims reported favorably on a House resolution in favor of M. A. Bledsoe.

Mr. Lindsay moved that the resolution be taken up and considered at once, which prevailed.

Mr. Cook raised the point of order that it appropriated money, and that it required three several readings on three separate days.

The Chair referred the decision of the point raised, to the Senate, and it was decided by a vote of yeas 21, nays 14, that the resolution could pass its three readings on the same day.

Mr. Cook raised the point that the resolution was not properly before the House as it required a suspension of the rules, and 26 votes to do that.

The President ruled that the point was well taken.

Mr. Graham moved a suspension of the rules in order to put the resolution on its passage, which did not prevail.

Mr. Graham moved to make the resolution the special order for 12 o'clock.

The Chair ruled that the action on the resolution was out of order, as it came from the House to-day, was referred and reported from the Committee on Claims, and that the resolution would lie over one day under the rules.

The President announced that the hour had arrived upon which the Senate decided to execute the joint order, to go into the election of a State Printer, and appointed Messrs. Jones of Mecklenburg and Cook to superintend the election.

Mr. Davis nominated W. A. Smith.

Mr. Beall nominated John Nichols.

Mr. Day withdrew the name of W. A. Smith and substituted in lieu thereof that of Jos. W. Holden.

The roll was called and Senators voted for their choice.

FOR HOLDEN.

Messrs. Beasley, Bellamy, Brogden, Blythe, Colgrove, Cook, Davis, Eppes, col., Forkner, Galloway, col., Hayes, Harrington, Hyman, col., Hawkins, Jones, of Wake, Lassiter, Legg, Martindale, Richardson, Shoffner, Stephens, Sweet and White—23.

FOR NICHOLS.

Messrs. Barnes, Beall, Graham, Jones, of Mecklenburg, Lindsay, Mason, Melchor, Murphy, Robbins, Scott, Whiteside and Welker—12.

Mr. Long said in order to give Mr. Jos. Holden *another* opportunity to read him out of *his* (Holden) party, he should vote for W. A. Smith.

Mr. Lindsay said he was assured Mr. Nichols could and would do the printing for *several thousand dollars less* than Mr. Holden, and execute it as well, in *justice* to the people of the State he should cast his vote for Mr. Nichols.

Mr. Graham said, I submit for the consideration of the Senate, before the Committee on election, declare the person who has received a majority of the votes of the two Houses, that this General Assembly has no right to elect. Article III, Section 10, of the Constitution provides: "The Governor shall nominate and by, and with the advice and consent of a majority of the Senators elect, appoint all officers whose offices are established by this Constitution or which shall be created and whose appointments are not otherwise provided for, and no such officer shall be appointed or elected by the General Assembly." This election of a Public Printer, in my opinion, amounts to nothing, and the action of the Legislature is unconstitutional.

The President stated that the Senator had a right to enter his protest but that nothing was in order except the announcement of the vote.

The Committee subsequently reported the result of the election as follows, to wit: Whole number of votes cast 108, of which Jos. W. Holden received 73; John Nichols received 34; W. A. Smith received 1.

J. W. Holden having received a majority of the whole number of votes cast was declared duly elected State Printer.

The consideration of the bill to raise revenue, was resumed, numerous amendments were adopted, and the bill passed its third reading by the following vote:

YEAS—24.

NAYS.—Messrs. Barnes, Bellamy, Burns, Blythe, Cook, Jones of Wake, Legg, Richardson, Robbins, Shoffner and Whiteside—11.

On motion of Mr. Scott, the rules were suspended and the bill to incorporate the Onslow branch of the Wilmington and Weldon Railroad Company was taken up, amended and passed its second reading.

On motion of Mr. Welker, the rules were suspended and the bill in favor of the Sheriff of Guilford was taken up, and passed its several readings.

On motion of Mr. Whiteside, the rules were suspended and the bill to incorporate the Shoals Manufacturing Company was taken up, and passed its several readings.

On motion, the Senate adjourned until 7½ o'clock.

HOUSE OF REPRESENTATIVES.

FRIDAY, March 25.

House called to order at the usual hour. Leave of absence was granted to Messrs. Parrow, Robbins and Wilkis.

Mr. Durham nominated Jno. Nichols.

Mr. Holden received 50 votes.

Mr. Nichols received 23 votes.

Mr. Argo's bill in relation to assaults and batteries, was resumed and after some debate passed its several readings.

On motion of Mr. Stanton, the bill to incorporate the town of Joyners, in the County of Wilson, was taken up and passed its several readings.

On motion of the same, the bill to allow the town Constable of Wilson to collect arrears of taxes, was taken up and passed its several readings.

On motion of G. W. Price, the resolution appropriating $700 for the purchase of a hand car, books, mapping material, &c., for the Superintendent of Public Works, was taken up.

Mr. Mendenhall said he did not like the resolution. He could not see that the Superintendent needed a hand car, in fact, the State had no use for a Superintendent of Public Works.

Mr. Pou moved to lay the bill on the table. Carried.

SPECIAL ORDER.

Bill to authorize the exchange of certain bonds issued to the Wilmington, Charlotte and Rutherford R. R.

Mr. Proctor moved to lay the bill on the table. Carried.

On motion of Mr. Downing, his resolution rescinding the resolution adjourning *sine die* on the 28th inst., was taken up.

Mr. Durham hoped the resolution would not be adopted.

Mr. Downing did not see how the House could get through with the business before it by Monday.

Mr. Durham moved to indefinitely postpone.

The yeas and nays being called, the motion prevailed, yeas 58, nays 3.

On motion of Mr. Vest, the bill to extend the time for Administrators and Executors to settle, was taken up and passed its several readings.

The bill to allow the Commissioners of Moore County to levy a special tax, was taken up and passed its third reading, yeas 39, nays 22.

Senate bill to authorize the Commissioners of Henderson County to issue bonds, was taken up and failed for the want of a quorum, yeas 26, nays 19.

On motion of Mr. Proctor the bill concerning Foreign Insurance Companies, was taken up. [The bill provides that all foreign insurance companies, corporations or associations incorporated, or in any manner organized, or having its principal office or headquarters in any foreign government, or country, and not having been chartered to do business in this State by the General Assembly, before doing further business or hereafter attempting to do business, shall deposit with the Public Treasurer an amount of gold, or its equivalent in value of government securities equal to one half of the value of policies of such company.]

Mr. Foster said that this was a stab at the London Globe Insurance Company, the best company doing business in this country, except the North Carolina Home Insurance Company. The N. C. Home, he considered the safest and most prompt company now asking the patronage of the citizens of the State, &c. In concluding his remarks, Mr. Foster moved to indefinitely postpone the bill.

The yeas and nays were called and the motion failed for want of a quorum, yeas 47, nays 11.

On motion of Mr. Justice a call of the House was had and 54 members answered to their names.

On motion of Harris of Wake, col., further proceedings in the call was dispensed with.

The debate on the bill in relation to foreign Insurance Companies was resumed.

On motion of Harris of Wake, col., the bill was indefinitely postponed, yeas 46, nays 15.

House then adjourned.

THE SENTINEL.

CITY AND STATE ITEMS.

SATURDAY, MARCH 26, 1870.

AT THEO. N. RAMSAY, as Business Clerk, is authorized to make contracts and give receipts, &c., &c.

RETURN IT.—The first volume of "Chambers Information for the People," has been borrowed from this office, and as we have special use for it, for reference, we respectfully ask the borrower to return it immediately.

INJURY TO SHADE TREES.—We regret to see that almost every Otcheite Mulberry tree on the streets in this city has been completely barked by the cows running at large in the city. These trees, though not the best for shading the streets—nothing like as good as the elm—were nevertheless better than none, and pedestrians will sadly miss the shade they afforded to some of the side walks, when the hot summer days approach.

THE REAL AND PESONAL ESTATE AGENCY.—The grand drawing took place at Tucker Hall, last week, and the announcement of the lucky numbers has been issued in a printed circular. We examined it carefully, comparing the list with a number of small slips of paper with numbers on them, that we have had lying packed away for some time, and the result was that, out of some forty slips, we couldn't find one with a number on it corresponding with a number in the printed report of prizes.—This leads us to conclude that we didn't draw a house and lot, a hotel, silk dress or sewing machine.

We suppose the report will be sent to all ticket holders.

CORRECTION.—In giving the expenses of Stanley county recently, we were led into error by the manuscript of our correspondent, which made the rendered account of the commissioners run from 10th August 1869 to 1st of March inst., instead of, from the 10th August 1868, as it should have been. This shows that the Commissioners have been quite economical in that county, and have set an example worthy of the imitation other counties.

This correction, however, does not, effect the force of our remarks in regard to the general expensiveness of the new system.

We are glad to see Mr. Eugene Boner in town, just in time for the State Musical Convention. He tells us he has gone back to his old house, that of Ditson & Co. (of New York and Boston) and our Colleges and musical people would do well to bear this in mind. We believe it is the only establishment of the kind North, having one from the South connected with it. Our people scarcely need to be told who Ditson & Co are, for in connection with music the name is a household word. Being a native, Mr. B. well understands the tastes and prejudices of those he is dealing with.—We wish him every success.

ONE BY ONE.—The Washington *Republican* says:

United States Marshall Clarke passed through this city yesterday *en route* for Raleigh, N. C., having in custody Gen. Bennett, formerly internal revenue supervisor for North and South Carolina, and an accomplice named Loring, both of whom were arrested on the 11th inst., at Atlantic City, Iowa, on the charge of conspiracy and collusion to defraud the internal revenue laws.

So they go, one by one. Bennet will be tried here, at the next term of the Federal Court.

FARMER'S DOLLAR MAGAZINE.—The first number of this new candidate for our farmers' patronage, is on our table, and from its contents and general appearance, we can recommend it to our agricultural friends, as a live, interesting and useful publication, worth treble the money asked for one year's subscription. This Magazine is another evidence of the enterprise and progress of Ridgeway, one of the most flourishing villages in the State, and will be a valuable acquisition to the agricultural literature of the State, should it contain nothing else than the experience of the many excellent farmers in the immediate vicinity of its publication.

Issued from the office of the Ridgeway Press, at $1,00 per anum. T. M. Hughes, editor and proprietor, Rev. W. C. Westbrook, Horticulturral editor, J. O. Nutall, business editor.

INCENDIARISM.—The house of Mr. Zoeller, near Tarboro' was fired and destroyed on Sunday night last, supposed to have been done by some negroes whom Mr. Zoeller, as Constable, had arrested a short time before, for some acts of lawlessness.

ATTEMPT TO POISON.—The *Journal* notices and attempt by a colored girl, 18 years old, in Wilmington, to poison a colored family with whom she lived, by putting strychnine in the bread baked for breakfast. The taste of the bread created suspicion and thus the mischief prevented. The girl was arrested and confessed, stating that she did it because they would not let her go to a ball the night before.

An Important Consideration.

Dr. Tutt's Liver Pills are PURELY VEGETABLE and are adapted to young and old, male and female, and may be taken at all times, without restraint of occupation, without change of living, without diet and without the fear of taking cold during all kinds of weather, and in all climates; THEY CONTAIN NO MERCURY.

CONGRATULATORY.

The Newbern *Times* congratulates the country on the fact that the *Standard* is turning its attention to the important matter of sustaining the State's credit, the damage to which he attributes, not to the Republican party, but mainly to certain "Democratic" editors who cried down the bonds until the people lost confidence.

The *Times* calls on all to work for the re-establishment of the faith and credit of the State. It will be many a day, we fear, before the credit of the State is re-established; the people will have it to do, when it is done. With Gov. Holden in the Executive Chair, Greasy Sam, Tourgee and Jay-bird Jones on the Bench, Littlefield, Sloan and Jones to handle State bonds, there is no chance to rebuild the State credit.

KENTUCKY'S LATEST AND BEST.—What ever emanates from this old commonwealth we are wont to look upon as the real "Simon pure" and genuine article of the class represented. In fact, we may say with emphasis, that Kentucky is not a healthy soil for the growth of humbugs. The best thing now offered to our citizens from this State is the "GREAT HENDERSON CO. PRIZE SCHEME," and we believe they will show their wisdom by investing freely in tickets. Read the Advertisement found in another column of our paper closely, and investigate the whole *thoroughly*, and learn how completely the facts bear out the statement."

For the Sentinel.

MR EDITOR:—It is believed that a popular Convention of the people of this State, of all classes and races, opposed to the extravagance, fraud, corruption, and crime of the present State authorities, should assemble at an early day, to take some concerted action, with the view to a proper system of public economy, administered by competent and honest men. A Convention is the best means of bringing about harmony of action, and giving a popular expression of opinion in reference to grave questions, which have heretofore divided our people. The white and black people especially ought to understand each other, and share each others confidence and support.

It is suggested that it is appropriate that the Democratic and Conservative members of the Legislature should call a Convention, and fix the time and place of holding the same.

PUBLIUS.

RAILROAD MEETING IN LOUISBURG

Tuesday, 14th inst. the citizens of Franklin assembled together in the Court House at Louisburg, for the purpose of considering the proposition to build the Tar River Railroad, a charter for which was recently granted by the Legislature.

On motion of Gen'l P. B. Hawkins, Maj. Dan'l S. Hill was called to the Chair, and Capt. Chas. H. Thomas requested to act as Secretary.

By invitation of the Chair, Hon. Judge Watts explained the objects of the meeting in a speech of some length, in which he presented in a clear manner, not only the necessity existing for the immediate construction of said road, but of the ability of the people of Franklin and Nash to build it. Messrs. Daniel R. Goodloe, M. Lankford, W. Hawkins, J. J. Davis, W. F. Green, and Gen'l P. B. Hawkins, followed in remarks pertinent to the objects of the meeting. Some of the gentlemen portrayed in fine colors the productive capabilities of the counties through which the Railroad will pass, and availed themselves of the occasion to urge upon planters and farmers the urgent necessity of an improved system in agricultural pursuits.

On motion of Judge Watts, the meeting resolved itself into a meeting of canvassers.

The roll being called, the following canvassers, whose names appear on the charter, answered: Hon. S. W. Watts, Jas. T. Harris, D. S. Hill, J. C. Wynne, Gen. P. B. Hawkins, Maj. John J. Thomas, and J. A. Henley.

It was resolved that the following gentlemen be authorized to open books, and solicit subscription for stock, at their respective places: W. H. Mitchell, Franklinton; J. J. Davis, Louisburg; Josiah P. Jenkins, Nashville; W. B. Coppage, Cedar Rock.

The following were appointed Assistant Canvassers: M. Hawkins, W. K. Barham, C. H. Thomas, M. Lankford, B. F. Bullock, Jr., Adams Harrison, A. W. Pearce, Jr., P. T. Wilder, Col. W. H. Yarborough, W. K. Davis, John B. Williamson, Ned Alston, Lewis Neal, Harry Webb, W. A. Buckram, Lee Long, Norfleet White, Peter Pearce, William Arrington.

It was resolved that the next meeting in furtherance of the proposed Road, be held in Nashville, Nash county, on the first Thursday of Nash Court, which will be the 26 h of April next; and that the proceedings of this meeting be published in the Ridgeway *Press*, Raleigh papers, and other papers on the line of the Raleigh & Gaston and W. & W. Railroads.

On motion, the meeting adjourned.

C. H. THOMAS, Sec'y.

FIRE.—We regret to learn that William Stokes, residing a mile or two above Stokes' Ferry, on the Yadkin River, met with the entire loss of his dwelling house and its contents, together with some outbuildings, a few nights since by fire. We are not informed how it originated. It is to him, (for 20 years a victim of rheumatism,) and to his wife, (a cripple) a deplorable loss—in fact their all of this world's goods.—*Old North State.*

WASHINGTON.

WASHINGTON, March 24.—Revenue to-day $410,000. President Grant intends issuing a general amnesty proclamation when Georgia and Texas are restored. In answering the Virginia delegation, Grant supported neither side. He said General Canby's action was simply preservative of peace. Canby would have been blamable had he neglected to interfere. Boutwell and Delano were before the senate Finance Committee this morning, opposing the change in the time for bonded whisky.

SENATE.—No Legislative business.

In the House the military committee reports many irregularities in appointments, but the evidence is conflicting as regards present members of the House. CARD.

SOUTHERN LIFE INSURANCE CO.

TO THE PEOPLE OF NORTH CAROLINA.

AT the request of General Jno. B. Gordon, President Atlanta Department, I have come to your State to bring prominently before you the claims and merits of the Southern Life Insurance Company. It is under the control of as honorable and as responsible men as there are in the land. It is managed in the most prudent and economical manner, and will deal justly and fairly with all.

We have no war to make upon other Insurance Companies, but we do wish to impress upon the people the importance of *keeping their money at home*. By careful calculations it is estimated that a sum of not less than *twelve millions* (annually) is sent from the South to the North for Life Insurance and unless checked will surely prove suicidal to our interests. We ask you to consider how greatly the material interest of this section would be benefited by the retention of these enormous sums in our midst.

We send no money away to enrich foreign capitalists but every dollar of premium (less expenses) IS INVESTED IN THE STATE FROM WHICH IT IS DERIVED.

This department of the Company has operated both in Georgia and South Carolina, and has done an unprecedentedly large business. Some of the most prominent gentlemen in those States are identified with its interest. Its Board of Directors embrace the names of the ablest financiers, and most successful business men in the South. They are the Trustees of the sacred fund of the widow and orphan. Will you not trust your friends and neighbors; or is it more secure in the hands of strangers? We appeal to you to assist us in pushing forward this deservedly popular and reliable Southern corporation. Its solvency is unsurpassed by any Company doing business in the United States, its ratio of assets to liabilities *thereby testify a Company's strength*, fully sustaining this statement.—We would respectfully call attention to the Board of Directors and Stockholders, published in another column, and to our Board of Reference in this State and others.

A NEW DISCOVERY!!

PHALON'S "VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

Phalon's Vitalia

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

Do not Insure Your Life

UNTIL YOU ASCERTAIN FROM
P. F. PESCUD,
General Agent for North Carolina,
WHY THE
LIFE INSURANCE COMPANY,
OF THE
UNITED STATES OF AMERICA

can, and does issue a larger Policy for less money than any other Company, represented in North Carolina.

The National was organized in August 1868. She has issued nearly

10,000 POLICIES,

HAS A CASH CAPITAL OF

$1,000,000,

which was all paid in before a Policy was issued and which has already increased, fifty per cent. All the losses reported to 1st Jan'y last amounted to but $40 000, and as a further evidence of the great care observed in the selection of risks, 926 applications amounting to nearly $3 000,000, were rejected last year. Therefore a solid basis and inducements that none but Stock Companies can afford, is enjoyed by all who prefer the National to Mutual or mixed Companies.

ALL LIABILITY FOR LOSSES IS AVOIDED.

Every man who has a family, should try to create an Estate for their support, when he is taken from them by death—and a very small annuity spent for a Policy secures a larger amount of Cash Assetts, and is far more certain, than the same amount will secure in any other investment, and a more tender expression of love and responsibility could not in any other way be more beautifully expressed.

The Georgia Mutual

IS A HOME COMPANY.

Owned and conducted by Southern men. It employs its funds at home for the benefit of Southern enterprises.

IT IS THE PIONEER COMPANY OF THE SOUTH, in all the new and liberal features of Life Insurance, presenting advantages not offered by any other Company, note the following points.

1st. Low Rates of Insurance, with a credit of one third, the Premium as a perpetual Loan.

2d. THIRTY DAYS GRACE for the payment of all premiums, and the Policy held good for that length of time.

3d. Policies Non-forfeiting after the first payment.

4th. Policies indisputable from any cause save fraud.

5th. No restrictions of Residence, Travel or occupation.

6th. It is a Mutual Insurance Company, ninety four per cent of the Profits are divided among the insured, on the contribution plan, and as money commands higher rates of Interest in the south than North or East, the probability is almost certain that the dividends will exceed those of Northern Companies, this reducing the premiums to their lowest actual cost.

7th. Under the Charter of this Company, Polices of insurance are not subject to the debts of the Insured. Polices in favor of a wife or children are payable to them or their guardians direct.

8th. This company issues policies guaranteeing six per cent. compound interest in addition to the insurance of the amount insured. CAPITAL STOCK, (PAID UP,) $150.000.00!

Stockholders bound for Double the Amount of Stock!

$100,000 DEPOSITED WITH THE INSURANCE DEPARTMENT OF MISSOURI.

THE MOST SUCCESSFUL CASH COMPANY IN THE WEST!

The Stock of this Company is owned by the Capitalists of Louisville, Ky., and St. Louis, Mo. It is emphatically a Western and Southern Institution.

The DE SOTO has no desire to exalt its merits over those of other good Companies, nor to prosper on the decline of others, laboring in the same fields, and for the same grand object. Confident of its equal advantages with others, of whatever age or standing, it is willing to labor honorably for success, and hopes to deserve the public confidence by its energy, industry, and liberal spirit,

From the Missouri Republican.

"Few Companies have started out with such gratifying and flattering prospects of success, and under such favorable auspices. The Company has been extremely fortunate in the selection of its Directory. Its President, JAMES P. LUCAS, needs not a word of commendation from us. He enjoys a general reputation as a gentleman of wealth, unquestioned integrity, practical good sense, sound judgment and splendid business capacity.

The Directors rank among the first class of our merchants, bankers and citizens, as men of capital, financial ability and experience: men of probity and unblemished reputation. In the character of such a Directory, the community have the best guarantee that the business of the Company will be prudently and judiciously managed."

Policies issued on all the popular plans and all Non-Forfeiting.

Policy-holders may travel by the usual modes of conveyance, either by land, river, lake or coastwise, in any portion of the United States and Territories, the settled portions of the two Canadas, Nova Scotia and New Brunswick, and in time of peace may cross and recross the Atlantic Ocean by the usual passenger routes to, and travel and reside within, any portion of Europe.

Pianos for Sale! Pianos for Sale.

MR. WILLIAM H. VAUGHAN, WELL known in our community as a Musician and Piano Tuner, is now appointed Agent for those splendid, Seven Octave, fine Rose Wood Pianos, built by C. M. Tremaine & Bro. These Pianos will be warranted for six years: and Mr. Vaughan is here ready to keep the instruments in perfect tune, if it should need it. He has at this time one of the Pianos at his residence, on Cabarrus Street, a little East of the N. C. R. R. Depot, and would be glad to show it to any one who will call to see it.

These instruments took the premium at the Virginia State Fair, and without doubt are the best and cheapest instruments in the North or South.

Old Pianos taken in exchange for new ones, at a fair price. As I am confident that I can sell cheaper than any body else, I beg of my own people in the State to give me a call before purchasing elsewhere.

Piano tuning and Repairing done at shortest notice. Can make a old Piano as good almost as new, for a very low sum.

Address, W. H. VAUGHAN.
mar 9-tf Box 329 Raleigh.

IT WILL BE REMEMBERED THAT THE Messrs. TP mains Bro's. took the first premium at the Virginia State Fair on their celebrated Pianos. These gentlemen fully understand their business, being thorough musicians themselves. Call at the store of E. VIA, 26, Fayetteville Street and examine one of the finest they have ever made.
